Service plus...for our institutional beds customers!

# The *Topper Touch* – Service plus...for our institutional beds customers!

Over the years, Topper has built a reputation for quality, service and reliability by investing time and dedicated effort to understanding our customers' business. And we've done it one customer at a time. We've translated that knowledge into developing a portfolio of customer-driven services that add unique value to our complete range of textile rental services. Our programs have been designed with one objective – to simplify management of your linen needs. And our first priority is exceeding service expectations. That's the *Topper Touch*.

We know the institutional beds industry – your need for clean and hygienic bed linens that are also sturdy, durable and comfortable. We also know you need a cost-effective solution. So we've tailored our service offerings specifically to your needs:

- Clean and hygienic, pressed and folded sheets and pillow cases
- High standards for product inspection and repair
- Routine replacement policy
- Range of mats to prevent fatigue and control dust
- Flexible pick-up and delivery schedules.

At Topper, we work with you to design an individualized package of products and services that exactly meets your needs. And that's why the *Topper Touch* wins us more satisfied customers – one customer at a time.
